

Subject: PSST 2020 rescheduled for October 18-23, 2020

Dear PSST 2020 delegates,

we have been closely monitoring the spread of the coronavirus COVID-19 around the world and in Italy.

After carefully considering the unpredictability of COVID-19 spreading in the world and in Italy over the next weeks and the health risks for our delegates, the conference organisers have come to the unanimous decision to postpone the PSST 2020 meeting to October 18-23, 2020, in the same venue in Lido di Camaiore, Tuscany, Italy.

This has been a very tough decision to take, and we are aware of and sorry for the many inconveniences this may cause you, but the health and safety of our delegates are our top priorities.

Take care and looking forward to seeing you at PSST 2020 in October 2020,

The Chairs of PSST2020,
Giuseppe Barillaro
Michael J. Sailor
Nico Voelcker
Thierry Djenizian
Lluís F. Marsal
